

641—9.4(135) Application procedures for American Diabetes Association recognized programs. When the program is recognized by the American Diabetes Association, the program shall apply for certification to the department by submitting a copy of the Certificate of Recognition provided by ADA, the name, address and telephone number for the program, the name of the program coordinator and the name of the program physician. In addition, since the ADA recognition program does not require the participation of a pharmacist but the Iowa law does, an ADA-recognized program shall submit the name(s), license number(s) and continuing education hours of the pharmacist(s) who serves as program staff. A pharmacist shall be a primary or supporting instructor or advisory committee member and shall meet the education requirements in 9.8(6), 9.8(7) or 9.8(8). The expiration date for the certification of an ADA-recognized program shall be six months after the expiration date of the ADA recognition.
